A disability is defined, in part, as a physical or mental impairment that substantially limits one or more major life activities; a record of having such an impairment; or being regarded as having such an impairment.

A public housing resident may request a change in his or her current unit or a transfer to a unit that has already been changed (in the resident’s development or another development). An applicant, resident or program participant may request assistance with, or change in, a Jackson county Housing Authority (JCHA) practice, rule, policy, procedure, program, or service.

JCHA will work with the applicant, resident, or program participant to determine to provide the reasonable accommodation request. JCHA may require documentation to support the reasonable accommodation request(s).
